1 Pecahan komponen separuh wang secara kecil hanya boleh diperolehi sejak tahun 1984.

2 Pecahan yang berasingan tidak diperolehi sebelum Disember 1996. Sebelum tempoh itu, deposit mata wang asing adalah dikategorikan mengikut jenis-jenis depositnya.

3# Pada bulan April 2007, M3 telah disemak semula untuk mengambil kira "lain-lain deposit" bermula Disember 1999.

4 Tidak termasuk deposit yang disimpan sesama institusi tersebut.

5 Pada tempoh 2004-2005, terdapat penggabungan seluruh industri yang melibatkan syarikat kewangan dan bank perdagangan.

† Bermula dari bulan Disember 1996, data telah disusun atur berdasarkan sistem laporan statistik yang baru.

1 A breakdown of narrow quasi-money into its components is only available from 1984.

2 A separate breakdown of this item is not available prior to December 1996. Prior to December 1996, foreign currency deposits were subsumed under the respective category of deposits.

3# In April 2007, M3 was revised to include "other deposits" from December 1999 onwards.

4 Does not include interplacement of deposits between these institutions.

5 During the period 2004-2005, there was an industry wide merger between finance companies and commercial banks.

† Beginning December 1996, the data is compiled based on a new statistical reporting system.
