- 1 As at end-period. Data is not comparable with past series. With effect from May 2005, the registration period during which jobseekers are deemed to be actively seeking jobs using the Electronic Labour Exchange was lengthened to six months (three months previously).

- 3 Includes public administration and defence, compulsory social security, education, health and social work, other community, social and personal service activities, private household with employed person, ex-territorial organisation and bodies.
- 4 Since 2004, classification of occupational groups is based on the Malaysia Standard Classification of Occupation (MASCO) 1998.
