Expense Rate	The ratio of the total expenses for the year (including commissions, salaries, etc.) to the sum of total premium income other than single premiums and consideration for annuities.
Forfeiture	The termination of a policy due to non-payment of premiums before the policy has acquired a surrender value.
Group Life Insurance	Life insurance usually without medical examination, on a group of people under a master policy. It is typically issued to an employer for the benefit of employees, or to members of an association.
Investment-linked Insurance	Life insurance where the policy value at any time varies according to the value of the underlying assets at the time.
Annuity	A contract that provides for a stream of periodic income for a term dependent upon human life.
Medical & Health Insurance	Insurance which provides specified benefits to cover medical expenses incurred or against risks of persons becoming totally or partially incapacitated as a result of sickness or infirmity.
Mortality Table	A statistical table showing the death rate at each age, usually expressed as the number of so many deaths per thousand.
Net Interest	Returns on investments less rates and taxes.
Net Interest Rate	The net interest rate for life insurance business, calculated by the formula:- $\frac{2 I}{A + B - I}$ <p>where I = net interest earnings for the year A = policy owners' fund brought forward B = policy owners' fund carried forward</p>
Paid-up Policy	A policy without any future premium payments but which is not yet terminated by either death or maturity.

Definitions of Insurance Terms*

Participating Policy	A policy which shares in the distributable surplus of a life insurer by acquiring bonuses or dividends.
Policy Document	Evidence of the contract between a policy owner and an insurer which sets out the terms and conditions of the particular policy.
Premiums	The monetary consideration payable once or periodically by a policy owner to an insurer in return for the insurance coverage provided.
Rider	An attachment to a policy that modifies its conditions by expanding benefits.
Reinsurer's Deposit	An amount deposited with or retained by an insurer by way of security for the performance by the reinsurer of its reinsurance contracts.
Surplus at Valuation Date	Excess of the policyholders' fund carried forward over the actuarial liabilities of an insurer in respect of its life insurance business.
Surrender Rate	The ratio of the total sums insured discontinued by surrender, i.e. with the payment of a surrender value, in the year to the sums insured in force at the beginning of the year.
Surrender Value	The amount available in cash upon voluntary termination of a policy before it becomes payable on death or maturity.
Term (or Temporary) Insurance	Insurance payable only on death within a specified period.
Weighted Forfeiture Rate	The ratio of annual premiums forfeited in a year to the weighted average of new annual premiums written in that year and the two immediate preceding years in respect of whole life, endowment and 'other' policies.
Whole Life Insurance	Insurance payable on death whenever this may occur according to the policy conditions.
GENERAL INSURANCE	
Average Clause	Stipulates that an insurer is only liable for such proportion of the loss as the sum insured bears to total value at risk.
Claims Ratio	The ratio of net claims incurred to earned premium income.
Earned Premium Income	Net premiums less provision for reserves for unexpired risks (RUR) at end of the year plus the RUR at the beginning of the year.
Excess of Loss Treaty	A type of reinsurance treaty which provides that the reinsurer pays all or a specified percentage of a loss arising from a particular occurrence or event (frequently of a more or less catastrophic nature) in excess of a fixed amount and up to a stipulated limit.
Facultative Treaty	A reinsurance contract under which a ceding insurer has the option to cede and the reinsurer has the option to accept or decline individual risks.
Gross Direct Premiums	Premiums on original gross rate charged to clients in respect of direct insurance business without any deduction for commission or brokerage.

Definitions of Insurance Terms*

Gross Premiums	Gross direct premiums and reinsurance accepted premiums less reinsurances within Malaysia.
Incurred But Not Reported (IBNR) Claims	Refers to losses which have occurred during a stated period, usually a financial year, but have not yet been reported to the insurer as of the date under consideration.
Indemnity	Restoration to the claimant of a loss by payment, repair or replacement.
Net Claims Incurred	Net claims paid less provisions for outstanding claims at the beginning of the year plus provisions for outstanding claims at the end of the year.
Net Premiums	Gross premiums less all reinsurance premiums payable.
Proportional Treaty	An agreement under which an insurer and a reinsurer participate proportionately in the premiums and losses on every risk that comes within the scope of the agreement.
Retention Ratio	The ratio of net premiums to gross premiums.
Reserves for Unexpired Risks	Relates to premiums already received in respect of risks which are still unexpired at the end of the accounting period.
Total Loss	A loss of sufficient size so that it can be said there is nothing left of value.
Underwriting Gain/Loss	Earned premium income less net claims incurred, commissions and management expenses.
